Happy New Year! I hope you all had a great holiday and enjoyed the break. Thank you to everyone who came to celebrate at the WIP's holiday party at Windham Brannon, graciously hosted by Heidi LaMarca. As a group we contributed lots of toys for the Toys for Tots charity and got the opportunity to catch up with each other one more time before the year end!

Our Fall Dinner was a huge success, thanks again to Martha-Wayne Fleming with Haverty's, for organizing our last diner at Lenox Square Grill in Buckhead. The \$100 gift certificates were fantastic door prizes! It was a great dinner and fun evening for everyone.

Our next dinner event is scheduled for Thursday January 27th, hosted by Caroline Calder with Morgan Stanley Smith Barney, and will be at the new and very trendy, Empire State South, located at 999 Peachtree Street and 10th. This restaurant has gotten a lot of recent press and gained many top rated reviews. Please RSVP by Friday January 21st, 2011. (RSVP form attached)

We will also be holding new Board Elections at our January Dinner. We currently have three positions open on the Board and will be passing out the ballots for this year's candidates at the beginning of the evening.

Our website, www.nationalwomeninpensions.org can be used to access our membership forms/renewals and updates to the WIP's directory. Please also feel free to contact Sandra Gilbert with any information regarding job-openings, updates or membership inquiries at sgilber@southernco.com.

Look forward to hopefully seeing everyone January 27th ~
